

## Dear Friend of TARC,

TARC has served children, families, and adults with developmental, intellectual, and related disabilities since 1954. Since its inception, TARC has grown to serve over 2,500 individuals and families in Shawnee County and surrounding areas.

TARC's services and programs benefit individuals of all ages from birth through end of life. These include Children's Services, Feeding Clinic, Assistive Technology, Avenues Day Program, Senior Services, TARC Industries and Employment Services (TIES), Targeted Case Management, and Self-Determination. TARC also serves as the Community Developmental Disability Organization (CDDO) for Shawnee County.

Last year, TARC Children's Services served more than 900 children, 0-3 years of age, and their families at no cost or wait. Our feeding clinic served an additional 20 children with a total of 191 sessions, most of which are not covered by private health insurance or Medicaid. Case management provided individualized assistance and support to more than 280 individuals. Our Day and Work Service programs served more than 150 individuals. These programs offer continued education, social and recreational opportunities, volunteerism, leisure, active participation in the community, job training opportunities, job coaching services, and work-related experience.

**TARC has two annual events that help fill our budget gaps and allow us to continue creating a world where everyone reaches their fullest potential. In 2026, TARC is hosting the following events:**

### **35th Annual TARC Benefit Golf Tournament: May 15**

Our historically sold-out golf tournament will take place Friday, May 15, at Lake Shawnee Golf Course. More than 150 people attend this annual event to support TARC and enjoy a nice lunch, a fun round of golf, and the opportunity to bid on excellent auction items and win great raffle prizes.

### **29th Annual TARC Winter Wonderland: November 25 - December 31**

Our largest fundraiser, raising over \$220,000 annually to benefit TARC programming, will run from November 25 through December 31. On average, 9,000 vehicles drive through the magical holiday lights display at Lake Shawnee Campground each year, with a suggested donation of \$10 per vehicle.

**The generosity and support of our community partners are the driving force behind our ability to make a positive difference in the lives of those we serve.** When you choose to support TARC through event sponsorships, you help TARC continue to provide much-needed services and programs to children, families, and adults right here in Topeka and Shawnee County.

I have included a form that lists our annual sponsorship opportunities for our two signature events for your consideration.

If you have any questions, please don't hesitate to reach out.

Sincerely,

Mandi Wells, Development Director
